## WHAT OTHERS HAVE TO SAY ABOUT THE FATHER'S HEART WEEKEND:

"This weekend was the perfect time for me and my son to play, laugh, love and pray. **Not only did I celebrate the boy he is—but I called out the man** he will be in the company of other boys and men. Incredibly, God as my Father did the same to me."

"This experience was intended to be primarily for my son, but **I felt God stirring my heart to be the king and priest** He meant me to be for my children!"

## ACTIVITIES INCLUDE:

- Father's Blessing Ceremony
- Rite of Passage Experience
- Canoeing, zip lines, & water fun
